Great Hall

A multipurpose venue that can be tailored to a wide range of events, great or small. The hall is equipped with a skywall that divides the space for smaller functions, and four state-of-the-art projector screens fit for presentations, screenings and slide shows, plus a built-in sound system that plays up the room's existing acoustics. Floor-to-ceiling windows wrap around the east and south edges of the ballroom. The Great Hall is the perfect space to host tradeshows, general and breakout sessions, corporate meetings and presentations and special events that include galas, weddings and award ceremonies. Day or night, this is the ideal location with plenty of natural daylight and various light settings to cater to every event.

Great Hall Foyer

Build excitement among your guests in this space, before the main event is hosted in the Great Hall. This unique, architecturally-designed triangular pre-function space is west coast design meets open air. Vaulted ceilings and floor-to-ceiling windows create a fresh, inviting networking space for guests. A built-in bar brings this space to life.
